Conditions of Sale Please see end of Catalogue.

Registration All prospective purchasers are requested to register and obtain a bidding number prior to the start of the sale.

Commission Bids Commissions to bid will be accepted and will be executed, without charge, on behalf of those unable to attend the sale. Lots will be bought at the lowest price permitted by other bids and reserves. Prospective buyers may place bids by telephone at their risk which must be confirmed before the sale by letter or fax. Bids by letter or fax must be received no later than the morning **before** the sale.

Catalogue Descriptions Care is taken to ensure that any statement as to authorship, attribution, origin, date and provenance is reliable and accurate, but all such statements are statements of opinion and are not to be taken as statements or representations of fact. J. Straker, Chadwick & Sons reserve the right, in forming their opinion, to consult and rely upon any expert or authority reasonably considered by them to be reliable.

Condition While an identification of damage is given in some instances, an absence of such advice does not imply that a lot is free from defect. Prospective purchasers are strongly advised to inspect any lot on which they intend to bid. All measurements and weights are approximate and should be verified by intending purchasers.

Payment Payment is due strictly on receipt of invoice. The Auctioneers reserve the right to charge interest at 1.5% per month (or part month) from the invoice date on all overdue accounts.

Intending purchasers unknown to the Auctioneers are kindly requested to make arrangements with the Auctioneers prior to the Sale regarding payment. If such arrangements are not made purchases will not be released until payment is received and in the case of cheques until they have been cleared.

Release and Non-Collection Authority for the release of lots to the buyer will be receipt signed by J Straker, Chadwick & Sons, which will be issued only after full payment has been received.

Payment by Debit/Credit Card For ease and convenience of purchasers we are now able to accept payment by credit card subject to conditions. Credit card & all Business card payments are subject to an additional 2% charge.

Charges As well as the 'hammer price' purchasers will pay a Buyer's Premium of **18%** including VAT, per lot to the Auctioneers.
