Terms & Conditions

GENERAL TERMS AND CONDITIONS

General Conditions of Sale as issued by J Straker Chadwick & Sons Ltd Auctioneers and Valuers

The Internet auction site is not an online retailer - the auction site is effectively acting as just a host to the sellers. This means that the Internet auction site is not responsible for the content of the advertisements placed. Unlike their live auction house counterparts, an online auction site will have no legal obligations in relation to the goods advertised for sale on its website.

The following Conditions of Sale must be strictly adhered to and regulate the sale of each Lot to any Vendor, Bidder or Buyer who has been approved by J Straker Chadwick & Sons Ltd Auctioneers and Valuers (henceforth referred to as the Auctioneers). By participating in a sale, you will be judged to have read, understood and accepted these terms and conditions and are therefore bound by them.

The images may not match exactly to the Lot description. Colours or patterns may vary.

The descriptions take precedence over the lot photographs. The Auctioneer is not held responsible for buyers' misunderstandings of the above.

The Auctioneers reserve the right to refuse approval to any Buyer or online Bidder at the former's own discretion.

Registration is only available to bidders over 18 years of age as subsequent bidding forms a legally binding contract.

All bidders will register their details, including full name, business name, address, contact land line and mobile telephone numbers, email address, vat number (where applicable) and Company registered number (where applicable).

It is agreed that the bidder's details may be added to our mailing list for the purpose of informing the bidder of future auctions that may be of interest to him/her.

We have the right to disable access to the website at any time, if in our reasonable opinion you have previously failed to comply with any of the provisions of these Terms of Use.

All overseas bidders and any bidder unknown to us, or if so requested, will deposit the refundable sum of £500 into our business account and will be held against any potential non-performance or until a satisfactory record of trading is established.

CONDITIONS REGULATING the Conduct of the Sale

The highest bidder acknowledged as such by the Auctioneers will be the buyer. In the event of doubt, on the part of the auctioneers as to the validity of any bid, the Auctioneers will have absolute discretion to determine the successful bidder, cancel the sale, re-sell the Lot or take any such remedial action the Auctioneers sees fit.

WARNING: all items are 'sold as seen'. It is not the Auctioneers' responsibility to inform of any damages. All items are purchased at the Buyer or Bidders own risk and no guarantees or warranties can be provided by the Auctioneers.

BUYERS PREMIUM

J Straker Chadwick & Sons Ltd Auctioneers and Valuers charge a Buyer's Premium of 15% on the hammer price of all Lots. Buyer's premium is also subject to VAT at the current rate.

Please note that there is also a 3% internet surcharge on the hammer price of all Lots and is also subject to VAT at the current rate.

Example:

£100 (HAMMER PRICE)	£100.00
+Buyer's Premium @15%	£ 15.00
+VAT on Buyer's Premium@20%	£ 3.00
+Internet Surcharge inc VAT (@3.6%+VAT)	£ 3.60
Total to pay	£121.60

BIDDING

By bidding, the bidder acknowledges he/she accepts these Terms & Conditions as fair and reasonable and expects them to be fully recognised by the Courts.

You have a duty of care to protect your login and password details. To be clear, it is not possible for another person to simply 'hack' your account, due to the high level of security of the on-line system. If you do allow another person, family member, visitor, employee, colleague etc., knowingly, carelessly or otherwise, access to your login and passwords, card details and contact number - you will be liable for any and all bids made.

The buyer acknowledges he is not relying on any warranties or representations made by the vendor or the Auctioneer or any of their employees, agents or representatives. All representations, warranties and conditions, express or implied, statutory or otherwise in respect of all and any of the lots are expressly excluded and without limitation any warranties and conditions as to title, satisfactory quality, fitness for purpose and description are excluded to the fullest extent as permitted by law.

Your bid is your legal commitment to purchase.

No warranty is offered or implied.

All bids are valid even when the reserve is not met. As the reserve can be lowered at any time. Remember when placing a bid, you are bidding to buy.

Our on-line auction sale may use 'auto bid extension'. If a bid is placed with less than 10 minutes remaining, that lot end time automatically extends by a further 10 minutes. This will keep occurring until there is a 10-minute period with no bids.

Upon the conclusion of an on-line auction the Buyer shall, by the following working day, be sent an invoice by email in respect of the monies due for the lot(s) purchased. This is due for settlement within 5 working days. If you are unable to do this please do not bid. The buyer acknowledges and agrees that he has entered into a legally binding contract of sale with the vendor to buy the lot and the buyer is legally obliged to purchase the lot.

Details of the lot may change due to new information received during the course of the auction and it is the bidder's responsibility to check the detail of the lot prior to bidding.

No bid may be cancelled or withdrawn. The Auctioneer does not have to accept the highest bid and all bids are due to approval and acceptance by the vendor.

Risk of damage to or loss of the lot passes to the buyer immediately upon the conclusion of the sale.

We have no liability to guarantee your continuous internet access to the website and encourage bidders to place their bids early rather than waiting until the last seconds of the lot.

The highest accepted Bidder, subject to the Vendors Reserve (if any) is deemed the successful buyer. Every bidder shall be deemed to act as principal, unless there is a prior arrangement with the Auctioneers that he acts as an agent on behalf of a named principal.

The Auctioneers reserve the right to refuse to accept bids from any person without stating a reason.

The Auctioneers reserve the right on behalf of themselves and the Vendor:

- . To set a reserve price
- . To rearrange, consolidate or withdraw any Lot(s)
- . To vary the order of the sale

The Auctioneers shall not be obliged to announce the reserve price.

No Person may advance on any bid less than the sum named by the Auctioneers.

No bidding may be retracted unless authorised by the Auctioneers.

Under no circumstances may the transferring of any Lot(s) from individuals or agents to any other parties be allowed on site.

No estimates made by the Auctioneers or their employees, whether in writing or orally, maybe relied upon as a prediction of the actual selling price.

ONLINE BIDDING

The Auctioneers do not accept liability for the placing of bids on the saleroom or i-bidder, or for the failure in any way for purchasers failing to secure their preferred Lot(s). The Auctioneers will not be held responsible for any failure of the internet or related hardware and software. Furthermore, they reserve the right to cancel an auction and re-offer Lot(s) if they suspect any undue interference or tampering with the on-line bidding system.

As Auctioneer, J Straker Chadwick & Sons Limited is not a party to the contract and therefore has no liability in that respect. We offer lots for sale and conclude contracts as agents on behalf of vendors. The resulting legal contract is between the buyer and that vendor and we are not responsible for any action or default on the part of the vendor or buyer including but not limited to, loss or damage in contract or tort, negligence, breach of statutory duty, consequential or indirect losses or damage, legal fees, loss of income or revenue, loss of business, loss of profits or contracts, loss of anticipated savings, loss of data, waste of management or office time, travel costs, fuel however arising.

The Auctioneer accepts no liability whatsoever in relation to the Goods whilst left on the Vendor's premises.

Nothing in these terms and conditions excludes or limits our liability for death or personal injury arising from our negligence, or our fraud or fraudulent misrepresentation, or any other liability that cannot be excluded or limited by English law.

In the event that the Auctioneer unknowingly sells a lot that was not eligible for sale (i.e., there is a third-party interest that comes to light) then the Auctioneer shall be entitled to immediately rescind that sale without any further liability to the Auctioneer and/or Company or the vendor.

DEFAULT BY THE BUYER

If the buyer fails to arrange collection by the specified date, the vendor may charge the buyer for the reasonable costs of storage at a minimum £10 plus vat per lot per day after 7 clear days following the end of the auction plus part rent, wages and other expenses as a result of buyer non-collection within the specified time table.

If the Auctioneer has rescinded the sale due to non-performance by the buyer and the lot has been resold by the auctioneer or by the vendor, the buyer shall reimburse the vendor with any shortfall.
