DISPERSAL OF THE CADOGIAN FLOCK

Foreword

Lots 1-28 comprise the Dispersal of the entire Cadogian Flock from the Late Mr Selwyn Richards.

For the past 21 years Suffolks have been a huge part of Selwyns life. The Flock had started off by purchasing ewes from SV Taylor, Abergavenny; MA Evans, Tan Yr Accar, CJ Holmes, Rookery, AE Weaver & Son, Perrinpit and also from Gareth Morgan, Bronglyn to start the flock off. As the years have gone by, the number of ewes rose to 130 one year, but since then they have decreased by a small number each year.

As you might see in our consignment we have been showing over the last few years with success with some of the prizewinning ewes for sale here today. Mrs Margaret Richards has made the decision to sell the whole flock after being in the breed with Mr Richards for the past 21 years.

Margaret & family would like to thank all those who have helped from the start, getting the ewes ready and giving up time for all the hard work.

Good luck to all with your new purchases.

### **CONDITIONS OF SALE**

1. All stock is sold subject to the Conditions of Sale, recommended for use at Markets by the Livestock Auctioneers' Market Committee for England & Wales, as displayed at the Auctioneers' Pay Office. The vendor, bidder & purchaser shall be deemed to have full knowledge of these Conditions and to agree to be bound by them. These conditions shall apply to the sale of any pedigree stock save in so far as they conflict with any Special Conditions expressly applicable to the sale of such stock, when the latter Conditions shall prevail.
2. All lots are accepted for sale on the terms that the vendor warrants his right to proceedings, claims, demands, costs, charges & expenses to which they may be exposed or which they may incur by reason of any defect in the vendor's title.
3. The Auctioneers act in all respects only as agents for the vendor and it shall be deemed that no condition or warranty expressed or implied has in any circumstances been given by the auctioneers or any servant of the auctioneers, whether as to title, description, the quality of any lot sold or otherwise. The auctioneers and their servants shall not incur liability to the purchaser in any respect of any defect of title, error of description or imperfection or in respect of any announcement or statement relating to or affecting any lot offered for sale whether made orally or in writing and whether given before, during or after the auction, nor shall they incur any liability in relation to any dispute between any purchaser and vendor.
4. All animals are at the risk of the vendor before sale and at the risk of the purchaser after sale.
5. Neither the vendor nor the Auctioneers will be responsible for any accidents or injury to persons or property, through fire or any other case whatsoever.
6. The Auctioneers reserve the right to refuse to accept bids from a vendor and they reserve on behalf of themselves and of the vendor the following rights:- (a) to fix a reserve price; (b) to bid on behalf of the vendor; (c) to re-arrange, consolidate or withdraw any lots or vary the order of sale; and (d) without giving any reason therefore, to refuse to accept the bids of any person.
7. The person making the highest accepted bid shall be the purchaser.
8. No bid shall be retracted.
9. If a dispute arises as to any bidding, then at the discretion of the Auctioneers, either:- (a) the lot to which the disputed bid relates shall immediately be put up again, or (b) the auctioneers shall determine the dispute, and their decision shall be final and binding on all parties.
10. The Purchaser shall, if and when required, give his name and address to the auctioneers, and shall if required, pay to the auctioneers the purchaser money for each lot on the fall of the hammer, or so soon thereafter as the auctioneers may require.
11. Purchasers paying by cheque must be prepared, if required, to produce a bankers reference.
12. No lot shall be removed from the sale premises until a written delivery order has been given by or on behalf of the auctioneers.
13. Each lot shall, at the purchaser's expense, be removed from the sale premises within a reasonable time after the close of the day's sale.
14. (a) If a purchaser fails to comply with any of the preceding Conditions, the auctioneers may cause the lot in respect of which the failure is made to be re-sold by public or private sale without warranty or reserve and without notice to the purchaser.  
(b) If upon re-sale as aforesaid a lower price is obtained for any lot than was obtained on the first sale, the difference in price together with all costs and charges attending the re-sale, shall be a debt due from the purchaser in default at the first sale.
