CONDITIONS OF ENTRY & RULES

Jacob Sheep Society

The Sale will be conducted in accordance with the rules for Shows and Shows & Sales as laid down in the Society Bye-laws which are available at: www.jacobsheepsociety.co.uk/downloadable_forms.htm

We would like to draw your attention to the following:

8(p) All rams of one year or older must be kept on a halter at all times in the show ring.

9(m) Any sheep which is unsalable, i.e. not tagged correctly or rejected for welfare issues, should be removed from the market at which point the matter is deemed to be out of the Society's hands.

9(n) the description in the catalogue of Flock Dispersal will mean that the whole of the pedigree flock of that member is sold and that the flock will no longer exist. Any dispersal sale of sheep will be held at the end of the sale and they will not be inspected.

9(o) Only one handler per sheep to be allowed in the show ring at official shows and sales.

9(p) The Jacob Sheep Society, its officers, trustees and servants, shall not be held responsible for any accident, damage or loss however caused. Anyone attending a sale or other event held by or on behalf of the Jacob Sheep Society shall indemnify the Society from and against all actions, suits, expenses and claims on account of or in respect of any such damage or injury which may be so caused.

Rejected sheep will not be sold at any time at Official Shows & Sales.

*Please note **Substituted** sheep will now have white tape on their horn and **Rejected** sheep will have red tape.*

*Any sheep that is tested for Tay Sachs **MUST** have its status, i.e. clear or carrier, declared in the catalogue at Official Show & Sales.*

GENERAL INFORMATION & SALE NOTES

LOCATION

The sale will be held at Monmouthshire Livestock Centre, Croes Y Bychan, Raglan, Monmouthshire, NP15 2BH (Directions on back cover).

METHOD OF SALE

All sheep will be sold in guineas and in catalogue order, unless any alteration is authorized or announced by the Auctioneers.

CONDITIONS OF SALE

The sale is held subject to the LAA Conditions of Sale in addition to the Auctioneers General Conditions of Sale.

SETTLEMENT & CLEARANCE OF STOCK

Settlement in full, by cash or cheque, is due to the Auctioneers immediately at the close of sale. No animals will be permitted to leave the premises without an official pass obtainable on settlement.

PEDIGREE CERTIFICATES & INSPECTION

Sheep to be penned by 8.30am at the latest, for inspection. Pedigree & Scrapie Certificates to be handed in at the time of inspection to JSS Stewards.

All registered sheep entered and forward at any show & sale must be inspected to ensure their ear tag numbers tally with the catalogue, and that they comply with the Society's inspection criteria. Any sheep failed by the inspectors will be excluded from the show, but may, if the owners wish be sold at the end of the sale provided the Auctioneer announces that the sheep has failed the inspection. Should there be any slight faults with older sheep that the inspectors wish to pass, the vendor will be informed and told that the Auctioneer will announce the fault before the sheep is sold. Should the vendor refuse permission for this announcement the sheep will fail its inspection. The inspectors' decision is final.

TAY-SACHS

The Jacob Sheep Society runs a scheme whereby sheep are voluntarily tested for a Tay-Sachs marker gene by LGC Laboratories. Animals which have been DNA tested as Tay Sachs clear, have (TSC) added to their registration numbers. Animals with two (TSC) parents have the annotation (~) added to their registration numbers, indication that they are 'bred Tay Sachs Clear'.

JACOB SHEEP SOCIETY (WALES)

The Jacob Sheep Society, its officers, trustees & servants, shall not be held responsible for any accident, damage or loss however caused. Anyone attending a sale or other event held by or on behalf of the Jacob Sheep Society (Wales) shall indemnify the Society from and against all actions, suits, expenses and claims on account of or in respect of any such damage or injury which may be so caused.
