### THE RIDGWARDINE HERD OF PEDIGREE HEREFORDS

The Ridgwardine Herd of Pedigree Herefords was established in 1998, has been TB free for five years, foundation Stock was purchased from the Vaynor Herd, South Wales, Anhay Herd, Cornwall and Ashley Herd.

Our stock bull was purchased from the Badlingham Herd Dispersal Sale in October 2012 for £2200, Badlingham Benedict from which we have line bred and resulting in large cattle.

It is with regret I am selling them as I have got too old to look after them! There are two miniature Herefords included in the sale.

The cows have been Pd'd by the Vet.
