N.B. VEHICLES WILL NOT BE ALLOWED ON SITE AFTER 8.30AM**

Market Street Chambers, Abergavenny, Monmouthshire NP7 5SD
Telephone: 01873 852624
Email: merril@strakerchadwick.co.uk

1. The 2018 Auction will be held in the **FUR & FEATHER PAVILION** which is near to the Livestock Entrance. **There are no gathering restrictions in place at the moment, however we will be implementing an advanced bio-security procedure. You will be required to complete & sign the health avian influenza declaration form to be presented to stewards prior to unloading at the event.**

You are kindly requested to deliver all items via the front of the building and whilst unloading, **please park sensibly** to ensure that there are no traffic problems/delays. Once you have unloaded/delivered your items for the sale, you should proceed and park in the designated area. Any illegal parking will not be permitted.

2. For health & safety reasons on the morning of the Auction, all cars/trailers bringing goods/poultry to the Auction must have delivered the items for sale and be parked up by 8am before the Festival opens officially to the public at 9.00am.

Please note a **bollard system** has been installed in order to reduce the traffic in the main pedestrian area of the event, as follows:-

Between the Clwyd/Glamorgan (Old Food Hall) and the Goat Building.

Between the South Glamorgan Exhibition Hall and the New Food Hall/Montgomery Pavilion.

Between the Wales YFC Pavilion and the Display Ring (Cattle Ring).

Between the Display Ring (Cattle Ring) and the corner of the Carmarthen Dyfed Building.

These Bollards will be in operation on Saturday 19th & Sunday 20th May from 8.00am to 6.00pm each day. In the event of an emergency requiring any of the bollards to be removed, keys will be available from the Security Contractor who can be contacted via the Radio system.

3. Alteration or substitution of lots on the day of sale may only be made at the discretion of the Auctioneers. As prospective purchasers may be attending the sale on the strength of the catalogued entries. Any alteration must be notified to the Auctioneers before the day of sale if at all possible. Any alterations from your original entry must be clearly displayed on the cage.

4. All lots must be removed within one hour of the end of selling. Any lots left after this will be sold for the best offer available at that time, regardless of any reserve, and that amount will be paid to the owner, less the usual commission.

POULTRY:-

5. Please note that there will be adequate poultry cages available for all entries. These must be pre-paid & pre-booked. **Cage sizes must be stated at time of entry.**

6. Only Poultry to be auctioned, i.e. (geese, ducks, chickens, turkeys, pheasants, guinea fowl, etc). We are unable to auction Ducklings this year. **STRICTLY NO Dogs** (even working dogs).

Please take note the following recommendations for Live Poultry Sales:-

Always handle birds with care and consideration.

Poultry must not be tied by the neck, leg or wing.

Aggressive birds must be separated and caged individually.

Water must be available at ALL times whilst at the sale, in containers which cannot be knocked over.

Sick or injured birds **must not** be taken to a sale – they **will not** be accepted.

If a bird becomes sick or injured during the sale, it must be separated from other stock immediately.

Birds must have sufficient room in their cages to stand in their natural position.

Birds must be removed singly from cages, using both hands. Do not drag a bird out of a cage by its neck, wings or legs. Either use one hand to support the legs and the other hand to support the wing and breast and draw the bird out of the cage head first, or carefully support the bird with a hand over each wing and breast. Take care not to knock the bird against the cage sides.

Birds must only be transported in suitable containers. These must be solid-sided and allow adequate ventilation for all birds. Damaged or broken crates must not be used. Do not allow the wings, feet or heads of birds to be trapped during transportation.

Birds must be protected from direct sunlight, be given adequate ventilation and be sheltered from adverse weather conditions. Do not leave birds unattended in their transport containers. Birds must have plenty of bedding and should not be placed on a concrete floor.

No Birds may be offered for sale in a downy state.

The Society Veterinary Officers and Poultry Inspection Steward will inspect poultry on stands and at the auction during the Festival; if at any point during the Festival they believe the above rules have been contravened; remedial action will be taken against the vendor responsible.

Poultry Purchaser: - If you are considering purchasing poultry at the event, we would like to take this opportunity to ask you to comply with all Poultry Bio-Security Measures in place at the Festival and take note of WG/DEFRA Regulations in force at the time of the event. Your help and co-operation on this matter would be most appreciated.

For more information, visit the WG/DEFRA websites. **The Society encourages everyone to 'BE CLEAN AND BE SEEN TO BE CLEAN'**

7. **AGENCY** - J Straker, Chadwick & Sons act in the sale of goods as agents only and all lots are taken with all faults and misdescriptions (if any). In particular, they disclaim liability for payments to the seller until they have received payments from the buyer.

8. **THE AUCTIONEERS & THE SOCIETY** - Shall not be liable for loss or damage to goods on their premises whether due to negligence of J Straker, Chadwick & Sons, their servants or agents or otherwise. Neither the Society nor the Auctioneers will be responsible for any accident, loss or injury prior to or during the progress of the sale or at any time during the removal of lots.

9. All goods are accepted for absolute sale unless a special arrangement is agreed by the Auctioneers. Goods 'bought in' by the owner will be regarded as 'reserved' goods and the usual fees applicable to reserves will be charged.

10. **PAYMENT** - The Auctioneers will pay the 'sale proceeds' to the vendor within two weeks of the sale provided the Auctioneers have been paid in full by the purchaser. If, by the due date, the Auctioneers have not received the purchase price in full from the buyer, then the Auctioneer will pay proceeds within seven working days after the date on which the purchase price has been received from the buyer.

11. **ALL ELECTRICAL ITEMS** - require a current Electricians Safety Certificate, must be safe, clean and in good working order. Any faults must be declared in writing on the lot on the day of the sale – failure to do this will result in payment for the lot being withheld and the lot being returned to the vendor at their expense. Purchasers will have until 10am on the following Thursday to report any faults not declared. Submission of an entry confirms acceptance of these conditions.

General Festival Information: -

Gate admittance fees: - Adults: £15 Children (0-16): FREE

Weekend Caravanning & Camping, 18-20 May - £50.00 per pitch.

FREE PARKING

~~~~~

## **VENDORS**

**Will all vendors please check at the Sale Office before leaving  
to make sure that all their lots have been sold.**

**Please do not rely on what you hear during the sale.**

***PLEASE CHECK CAREFULLY!***

***Lots left behind cause great inconvenience and we regret  
that we can no longer accept responsibility for any animals  
remaining after the sale. If any lot has been left  
behind and is still on the premises when the cages have to  
be taken down that lot will be sold for the best offer available  
at that time, regardless of any reserve, and that amount will  
be paid to the vendor, less the usual commission.***
