THE STOCKTON FLOCK

The Stockton flock was founded in 1973 with the purchase of 13 ewes from the Earl of St Aldwyn. It was extended in 1975 by the purchase of 20 ewes from Perrinpit and again in 1980 with the purchase of a further 25 ewes from the Cressage Dispersal Sale. Additions have since been made from many of the country's top flocks.

Stud rams have always been carefully selected either from our own production lines or from well-known flocks.

Production sales of both males and females have been made on an annual basis either from home or through Society Sales and at Builth Wells.

We have achieved some at-the-time world record prices selling Stockton Almighty for 75,000gns (to Glenho) and a ewe lamb for 23,000gns (to Cairness), still the record price for a ewe lamb.

Over the years, the flock has had unique success in the National Flock competition having won the coveted Bristol Gold Cup on 5 occasions in 1991; 1993; 1994; 2004 and 2017.

Historically in the show ring, including this year's season, we have enjoyed considerable and occasionally unique success – usually we have chosen to take only one or two carefully selected individuals out to represent each age in the flock and we have not been stuck for choice as it could have been any one of several! We have won the Breed and Overall Supreme Interbreed Championships over many years at all of the major shows [Three Counties, The Royal; RHAS and RWAS].

The whole flock is being offered for sale as the farm has been sold and the partnership is being dissolved. We believe that the day affords an ideal opportunity for buyers to purchase foundation or replacement stock.

Service rams bought this time are probably the best selection that we have ever used because we believe that our ewes are the best bunch we've ever had. This year's ewe lambs are quite exceptional and their counterpart ram lambs were also very good – one of them taking top price of 15,500gns (to Rhaeadr) at the National Sale in Shrewsbury.

There are 204 lots on offer today and they will be presented not in a traditional by-age manner but in runs which we hope will hold and spark interest .

There are no notes to individual sheep other than to the three show winners as I believe that they all have potential to be show and sale winners of the future, they just never had the chance here!! They certainly have the potential to produce winners.

In the case of bulls, during the period when the show/sale is open to visitors, bulls in stalls or pens should not be left unattended. If the handler is temporarily absent, arrangements should be made with another vendor, steward or member of Harrison & Hetherington staff to oversee the bull until the handler returns.

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
