MAJOR REDUCTION OF THE ABBOTSID FLOCK

The Abbotside Flock was established in 1958 when my father purchased ewes from the Perrinpit Flock. Since then rams have been bought on growth, conformation & carcase quality. The Flock is now run on a fairly commercial basis with many shearling rams produced for the trade. A few shows are entered every year with a fair bit of success and the Flock has won the Gloucester Club Flock Competition in two of the last three years. This major reduction of the Flock is due to a change in farming policy and semi-retirement, where just a few ewes will be retained.
